SUMMARY

Reliable and personable worker with hands-on experience in fast-paced, safety-critical environments and technical/manual labor. Strong communicator who works well in team environments, adapts swiftly to dynamic situations, and stays calm under pressure. Seeking to bring a strong work ethic and an open mindset to the workforce.

EXPERIENCE

Pool Lifeguard *June 2024 – June 2026*
OCAC Newport Beach, CA

- Worked as part of a 10–12 person team, coordinating with 2–4 lifeguards per shift to maintain continuous safety coverage of the facility.
- Communicated and collaborated closely with coworkers during high-traffic periods, ensuring fast response times and clear handoffs.
- Handled difficult and non-compliant patrons calmly and professionally, de-escalating situations while enforcing safety rules and establishment policies.
- Adapted to a flexible, on-call schedule, reliably covering last-minute shift changes and demanding hours over a two-year period.

Installation Assistant *June 2026 – September 2026*
Virtual Perfections Costa Mesa, CA

- Assisted with mounting, wiring, unboxing, and setup of home audio/visual equipment across multiple client installation sites.
- Performed general hands-on labor including equipment transport, wire running, and site preparation to keep installs on schedule.
- Supported preparation for client proposals and discussions, helping think through technical approach and solutions ahead of meetings.
